

“ was I alive today... / ai-je été vivant aujourd’hui... ” / MIRROR

www.atelierthierrydreyfus.fr

A mirror:

A surface of emptiness on which women or men are used to look at themselves in passing:

And still the same attitude, as a Mantra, at waking time or bedtime : “What did I do today ?”, “Was I alive today ?...”. This mirror reminds us not to accept to be eaten up by speed, consumption, habits, but above all that we are Alive, that we Can do what we want, we Are...
